Proceedings of the Madras Government, Revenue Department, 9th November 1860.

No. 157. Read the following letter from J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chittoor, 3rd November 1860, No. 72 :—

SIR,

1. I have the honor with reference to the Order of Government dated 6th October 1860, No. 1,812, Revenue Department, to forward copy of a letter from my Deputy Narasimha Pantulu, from which the Government will gather that the boundaries of lots Nos. 2 and 12 as given in the list submitted with my letter to the Board of Revenue of the 4th September last, No. 203, are correctly described according to the Pymaish accounts of the Talúq, and that there is nothing on the local records to show how they come to differ from those entered in Mr. Dale's catalogue.

2. The enclosures received with the Proceedings under reply are herewith returned.

No. 158. ORDER THEREON, 9th November 1860, No. 2,093.

1. The Government have again to notice on the part of the Acting Collector of North Arcot imperfect execution of an Order, accompanied by delay, of a nature similar to that noticed in the Order of August 13th, No. 1,347, paragraph 7.

2. The obvious course to be taken in pursuance of the Order of 6th October, in order to test the correctness of the boundaries of the two gardens in question, as given in the Acting Collector's list, was to send a competent person to the spot. This, however, has not been done; but after the lapse of nearly a month, Mr. Robinson reports that his list agrees with the Survey accounts. This is no answer to the enquiry; and the Acting Collector, will be instructed to take, immediately, the course above indicated, and then report what are the present actual boundaries of the two gardens.

(Signed) J. D. BOURDILLON,
Secretary to Government.
