Proceedings of the Madras Government, Revenue Department,
10th November 1860.

No. 169. Read the following letter from J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. BOURDILLON, Esq., Secretary to Government, Fort Saint George, dated Tirpati, 26th October 1860, No. 69:—

SIR,

1. I have the honor with reference to the Proceedings of Government dated 17th instant, No. 1,890, to submit copy of a letter addressed by me to the Board of Revenue under date the 9th instant, from which the Government will gather that the defects which they have noticed with their displeasure attracted my attention as soon as my copy of the Gazette reached my hand.

2. Until however the stock of Type, especially English and Telugu, has been in part renewed and increased, I can scarcely hope to see the Gazette turned out in as neat a shape as could be wished.

No. 170. ORDER THEREON, 10th November 1860, No. 2,100.

In an Order of the 17th October, No. 1,890, the Government noticed the careless manner in which an Income tax notice was inserted in the Gazette of the North Arcot District, with blanks not filled up. The Collector imputes the omission to the "carelessness and stupidity" of the Head Compositor; but the Government consider that the blame cannot properly be laid wholly on him. The fault is primarily that of the Head Accountant or other Officer who sent the paper to the press, and whose duty it was to see that it was in proper order for printing; an intelligent printer would no doubt have noticed the omissions and got them supplied, but this is a very minor neglect.

(Signed) J. D. BOURDILLON,
Secretary to Government.

From

Acting Coll.r of North Arcot,

To

J. D. Sim Esqre,
Secretary to the Board of Revr
Fort St. George,

Sir,

1 The careless and incomplete form in which some of the Income tax papers have been inserted in the last issue of the District Gazette will probably call forth the unfavorable Comments of Government. To all is creditable indeed to the office in the performance that I should have taken upon myself to have stopped the transmission by post of this issue until the omissions could have been supplied and other blunders rectified had not my own Copy reached my hand too late to admit of my so doing:-

2 The omissions in the "general Notice" are entirely due to the Carelessness and Stupidity of the Head Compositor, but for the use of Small instead of Capital Letters in the proper names which occur in the other "Notice" he is perhaps scarcely to blame as we are sadly deficient in English types and the same time Supply of them has not yet reached us.—

3 Under these Circumstances I have directed a Supplemental Gazette to be issued in which the defects referred to above will be remedied.—

I have the honor to be,
Sir,
