Proceedings of the Madras Government, Revenue Department,
10th November 1860.

No. 174. Read the following Proceedings of the Board of Revenue, dated 31st October 1860, No. 5024:—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevelly, 25th October 1860, No. 406.

SIR,

1. I have the honor to inform you that since the date of my last report on the prospects of the season, rain has fallen all over the District. Slight freshes came down the river Tambrapoorney and other minor rivers. The river-supplied and the rain-fed tanks have received a fair supply of water.

2. The marginal statement shows the extent of cultivation raised up to 14th October in comparison with that up to the corresponding period of last year. From the reports I receive from the Táluqs, I regret to say, that nearly one half of the carr wet crops has suffered from drought, part having entirely perished, and the remainder giving short produce. The Peshanum cultivation is now going on.

3. The price of grain has fallen a little. Rice is being imported by sea into this District.

4. Cholera prevails to some extent in the Táluqs of Tinnevelly and Nangunairy.

Ordered that the above letter be submitted to Government in continuation of the Board's Proceedings dated 24th October 1860.
