From Captain F. I. B. Priestley
Superintendent Rev Survey

To H. Newell Esq
Director Rev Settlement

Sir

I am still in hopes of making use of the principal Trigonometrical Stations fixed on by Mr Captain Ward, in the Revenue Survey of the Wynaad, and for that purpose am desirous to proceed there at an early date accompanied by Mr Starr, my Office Assistant and one or two other persons employed in my Office

2. To enable me to decide on those orders I take with me a settlement of the question regarding mileage and batta is in the first place necessary and I trust you will obtain instructions on that subject as early as possible.

3. In order to renew the marks on the sites of the Stations of Captain Ward's survey, some funds will be indispensable for this I have made provision in the scale of Establishment already submitted, but as the Rs 100 per mensem I have set aside for the purpose will not be immediately available I have the honor to request an advance of Rs 100 on my receipt either from the treasuries of Coimbatoor or Malabar as found most convenient
