Proceedings of the Madras Government, Revenue Department, 16th November 1860.

No. 280. Read the following Proceedings of the Board of Revenue, dated 9th October 1860, No. 4,607 :—

Read the following letter from E. B. THOMAS, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 10th September 1860, No. 156.

SIR,

With reference to Government Order, dated 8th November 1859, No. 616, published in the *Fort Saint George Gazette* of the 15th idem, page 905, I beg to know (on movement of troops and where there is a paid Commissariat Officer on the spot) whether he should be applied to, or the Magistrate, without the Commissariat making any effort in the case. I refer to Wellington and the enclosed application. I believe the Commissariat Officer has many cattle and coolies at his disposal, and he appears to me the proper Officer to arrange such matters.

P. S.—I shall of course give aid, if the Commissariat fail.

From Lieutenant R. B. KENNEDY, Commanding Detachment, Sappers and Miners, to E. B. THOMAS, Esq., Collector of Coimbatore, dated Wellington, 7th September 1860, No. 214.

SIR,

1. I have the honor to forward you the accompanying Indents for coolies, carts, bullocks, and supplies for a Detachment of Sappers and Miners, ordered to proceed from this place to Lackadie, and a copy of the route by which it will march, with the days on which they will arrive at the several places named. I purpose to despatch them from Wellington on the 17th instant, which I hope will allow sufficient time for arrangements to be made.

2. I would also be obliged by your letting me know in what manner the carts, coolies and bullocks should be paid. The coolies and bullocks should be in readiness at the Sapper Lines, Wellington, on the afternoon of the 16th instant, in order to have the loads apportioned, so as to start very early the following morning.

(True Copy.)

(Signed) E. B. THOMAS, *Collector.*

Resolved that the above letter be submitted for the orders of Government, to whom Mr. Thomas should have applied directly, as it is in his Magisterial capacity that he acts in such matters.

No. 281. ORDER THEREON, 16th November 1860, No. 2,156.

1. With the letter submitted with these Proceedings the Magistrate of Coimbatore transmits copy of a letter recently addressed to him by the Officer Commanding Detachment Sappers and Miners at Wellington, applying for coolies, carts, bullocks, and supplies, to enable him to march. Mr. Thomas inquires whether in such cases the local Commissariat Officer or the Magistrate ought to be applied to in the first instance.

2. The Governor in Councils observes that the tenor of the late orders in the Military Department on the subject of carriage for troops marching, taken with the order in the Financial Railway Department, 8th November 1859, No. 616, is that all possible efforts are to be made by the individuals needing carriage, the Regimental authorities, and the Commissariat Department, before application to the Magistrate.

3. This is the course to be adopted in all cases of troops marching. It is only on failure of the Regimental Officers and of the Commissariat, that the Magistrate is empowered to act; and it is the desire of Government that all possible means should be taken by the Military authorities before applying to the Magistrate.
