Proceedings of the Madras Government, Revenue Department, 16th November 1860.

No. 286. Read the following Proceedings of the Board of Revenue, dated 30th October 1860, No. 4,985 :—

Read again letter from the Acting Collector of Kurnool, dated 27th July 1860, No. 114, forwarding Tabular Statement of the number of Tappal Peons sanctioned, and that actually employed in his District.

(In Cons., 7th August 1860, No. 3,866.)

Read again letter from the Collector of Kurnool, dated 30th August 1858, No. 106, requesting sanction for the re-entertainment of 6 Tappal Peons dispensed with by the Collector of Cuddapah.

(In Cons., 5th October 1858, No. 3,999.)

Read also letter from the Acting Collector of Kurnool, dated 6th October 1860, No. 159, submitting supplemental Tabular Statement for the above 6 Peons.

(In Cons., 15th October 1860, No. 5,235.)

1. Resolved that the above letters be submitted for the consideration and orders of Government.

2. In the Moyenzabita sanctioned for the Kurnool District on the 10th September 1842, No. 202, Secret Department, 31 Peons on a monthly salary of 5 Rupees each were allowed for the Táluq Tappals, and this number was subsequently reduced to 29, under the modifications in the general Establishment of the District approved in Extract Minutes Consultation,

In Cons., 15th March 1849.

Revenue Department, No. 140, dated 12th February 1849.

3. Captain Russell, the late Officiating Agent, finding that the Tappal on the line from the Kurnool to Madras *viâ* Cuddapah could be conveyed by the runners of the Postal Department, again reduced the

number of Peons to 19, and at the same time made some alterations in their distribution, but as these changes have not as yet received the sanction of higher authority, the Civil Auditor refuses to pass the bills. The saving during the time the more economical arrangement has been in operation has been 50 Rupees per mensem.

4. In the second and third letters above recorded, the services of 6 Peons on 5 Rupees each are applied for in an addition to the above 19, for the conveyance of the mails from Koilkuntla to Sirwell. When the former Táluq belonged to Cuddapah, the number of Táluq Tappal runners now applied for were employed in it, but on its transfer to Kurnool they were discharged by the Collector of Cuddapah. The mails from Koilkuntla to Sirwell were, however, carried by 6 Revenue Peons until the modification of the Collector's Establishment on the introduction of the new Police on the 29th ultimo, since which date no Peons have been available for the duty, and the Acting Collector states that he finds it absolutely necessary to entertain the 6 Peons applied for, in anticipation of their being sanctioned.

5. It appears to the Board that this requisition may be met without application to the Supreme Government, by limiting the number to be reduced out of the Establishment sanctioned in Extract Minutes Consultation, dated 12th February 1849, to 4 instead of 10 Peons, and they accordingly recommend that the Civil Auditor be instructed to pass in arrears the bills for the salaries of the 19 Peons who have been actually employed, and from the date of the re-employment of 6 Peons in the Koilkuntla Táluq to admit the charge for 25 peons who will be distributed as follows, viz :—

Supplementary
Form No 2

In Con. 7th August 1860, No. 3,866.

From J. I. MINCHIN, Esq., Acting Collector of KURNOOL,
dated Kurnool, 27th July 1860, No. 114.

With reference to the Proceedings of the Board of Revenue, dated 5th October 1858, No 3,728, I have the honor to report that 31 tappal peons were sanctioned in 1842 for this district for the conveyance of the Moolkee tappal. In 1849, when the revision of the whole establishment took place, two were struck off leaving 29 of these. Captain Russell, as Officiating Agent, suggested that 10 should be struck off and the others redistributed among the Taluqs, but the Board in their Proceedings of the 2nd June 1858, No. 1,956 declined to sanction his request until explanation was offered as to how it happened that he said only 29 peons were sanctioned in 1842, when sanction was granted for 31, which was given on the 26th June 1858 in letter No. 75. On the 30th August 1858, Mr. Arbuthnott requested sanction for the entertainment of six extra peons to convey the mail between Sirwell and Coilgoontla in lieu of the six sanctioned for the latter Taluq on the 12th December 1857, but which the Collector of Cuddapah dispensed with, when the Taluq was transferred to Kurnool, on which the Board in their Proceedings under reply requested that a tabular Statement of the number of tappal peons sanctioned in Extract Minutes Consultation Revenue Department No. 1,410, dated 12th February 1849, and the number now proposed to be permanently entertained might be submitted, which I beg to enclose together with another statement showing the number of tappal peons sanctioned on the 12th February 1849, and the number actually employed since.

2. As soon as the new arrangements for the Cusbah station, and those for Sub-Magistrates in this district, are finally settled by the Government, I shall do myself the honor to lay before the Board a proposal for the better disposition of the Moolkee tappal, but this sanction for the existing arrangements is in the mean time urgently required, as the Civil Auditor refuses to pass the Bills for the payment of the tappal runners transferred to different Taluqs by Captain Russell.

Enc. 1.

Abstract.—Statement showing the number of tappal peons sanctioned on the 12th February 1849, for the Kurnool District and the number actually employed.

Enc. 2.—District of Kurnool.

Exd, T. Dunn.

In Con. 15th October 1860, No. 5,235.

From J. I. MINCHIN, Esq., Acting Collector of KURNOOL,
dated Kurnool, 6th October 1860, No. 159.

With reference to your Official Memorandum of the 19th September last, and my letter No. 155 of the 27th September, I regret to say that I was misinformed in stating that the six peons applied for on 30th August 1858 by Mr. Arbuthnot, for conveying the tappal between Sirwell and Koilkoontla, were included in my application of the 27th July.

2. The tappal between Sirwell and Koilkoontla has been carried hitherto by six revenue peons of the latter Taluq, but as the new system of Police was introduced there on the 29th September, there are no longer any peons to be spared for this purpose, and the employment of additional Taluq tappal runners is absolutely necessary.

3. I have, therefore, the honor to forward a Supplementary Form for this additional charge; for which I beg to solicit early sanction, as it is necessary for me to employ the runners in anticipation of its receipt.

Enc. 1.—Supplemental Form, No. 2.
