Sir,

1. I have the honor to forward herewith a Statement shewing the progress made in the preparation of the Register A. up to last month, from which the Board will perceive that the Registers of only 149 villages remain to be prepared, and of these, the greater portion belong to the unsurveyed talook of Goomooor, where the Karnams donot possess any knowledge of Telogoo and cannot readily procure the services of hired Gomastahs.

In

In addition to this cause of delay, the registers of some of the villages have to be recopied in consequence of lands newly discovered and brought to account under re-measurement, and I expect that this will prove necessary in other instances. I have however issued very stringent orders to press on the work and hope to be able to complete the registers by the end of next month.

2. I must point out that the impending survey in this district will render it necessary to prepare these registers afresh.

I have the honor to be
