Proceedings of the Madras Government, Revenue Department, 23rd November 1860.

No. 395. Read the following Proceedings of the Board of Revenue, dated 7th November 1860, No. 5,152 :—

Read letter from the Collector of Coimbatore, dated 21st September 1860, No. 166, stating that he has already expressed his opinion with regard to the Travellers' Bungalow at Naikuppum.

(In Cons., 25th September 1860, No. 4,822.)

1. Submitted for the orders of Government.

2. The Board recommend that the Collector be authorized to dispose of the Naikuppum Bungalow under the freehold rules, if it is not required by any other public Department. The Board do not see the use of going through the formality and trouble of a public sale, if Government in another Department require the thing sold, and intend to buy it. A transfer from one Department to the other is the best course in such cases.

No. 396. ORDER THEREON, 23rd November 1860, No. 2,214.

Authority is granted as recommended by the Board in paragraph 2. If any public Department has need of the building the Collector will at once make it over to it without the formality and trouble of a sale. There would be no real auction in such a case, for with the knowledge that a Government Department was going to bid, private persons would deem it useless to complete.

(Signed) J. D. SIM,
Acting Secretary to Government.

In Con. 25th September 1860, No. 4,822.

From E. B. THOMAS, Esq., Collector of COIMBATORE,
dated Coimbatore, 21st September 1860, No. 166.

With reference to the Proceedings of the Board of Revenue, dated 20th July and 23rd August 1860, Nos. 3,308 and 3,859, I beg to refer them to paragraph 10 of my letter of the 4th June 1860, No. 73, wherein I have already expressed my opinion that the travellers' bungalow at Neikuppam, may be conveniently dispensed with. It is situated on the line of road between Trichinopoly and Seringapatam, viâ Caroor, Errode and Sattimangalum, and is seldom frequented by European travellers, as a reference to the bungalow reports for the past three years will show. Its retention as a travellers' accommodation, is no longer necessary. I would beg to repeat what I have already stated, that all finally condemned bungalows had better be sold in auction, open to all, and any department wanting, should buy and carry to the accounts of that department.
