Proceedings of the Madras Government, Revenue Department,
23rd *November* 1860.

No. 410. Read the following letter from ARTHUR HALL Esq., President to the Income Tax Commission, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, dated Madras, November 1860, No. 24 :—

SIR,

1. I have the honor to acknowledge the receipt of Proceedings of the Madras Government, under date 16th November 1860, No. 2,160, calling upon the Income Tax Commissioners, for their opinion as to the most convenient arrangements, for the future collection of their, and the Special Commissioner's assessments, and to state, that the Commissioners consider, that the collection of the Income Tax should be conducted in their own Office, as being more convenient to all parties, and better adapted for maintaining the system of secrecy prescribed by the Act, than the late arrangement by which the Sub-Treasurer was the collecting Officer.

2. They beg therefore, with the concurrence of the Special Commissioner, to recommend that Mr. J. C. Winscom, Manager in the Special Commissioner's Office, should be appointed collecting Officer in addition to his present duties on a salary of Rupees 150 per mensem.

3. The Commissioners think that the following establishment will be necessary to enable him to carry on the business and beg, in case the Government approve of the proposition, that sanction may be granted for its entertainment.

1 Accountant	60	0	0
10 Conicopolies at 15 Rupees per mensem ...	150	0	0
4 Peons at 6 Rupees per mensem	24	0	0
1 Writer	26	0	0
1 Shroff	20	0	0
Per month...	280	0	0
			12
Per annum...	3,360	0	0

4. As a set off to the above, the Special Commissioner has proposed to dispense with the services of his second Clerk, drawing a salary of Rupees 60 a month, the experience of the past month having shown, that this reduction can be made without detriment to the efficiency of his Office. The Commissioners approve of this suggestion and recommend its adoption.

5. The Commissioners propose that the collections made by Mr. Winscom should be remitted daily to Sub-Treasurer ; and, in the event of money coming in late in the day, they would, with the acquiescense of the Collector of Madras, place it for safe custody at night under the Police guard at his branch Kacheri adjoining their Office. Mr. Ellis informs them that there will be no objection, in his opinion, to this latter arrangement.

No. 411 ORDER THEREON, 23rd November 1860, No. 2,222.

1. The Governor in Council approves of the arrangements proposed for the future collection of the Income Tax in the Town of Madras.

2. Mr. Winscom will be appointed Collector of the Tax, and will receive a salary of Rupees 150 monthly ; as recommended by the Commissioners for the duties of the office.

3. The full Establishment of ministerial servants proposed by the President of the Commission is sanctioned but as there are 15 Conicopolies attached to the Assessors, whose work will be much reduced before long, the Governor in Council hopes that some reduction will soon be practicable either in the Collector's or the Assessors' Conicopolies. The revision of the entire Establishment should be considered by the Commissioners as soon as circumstances permit of their forming a safe estimate of their future requirements.

4. By the arrangements now sanctioned the entire charge for collecting the Tax will be Rupees 430 per mensem and there will be a saving of Rupees 60 monthly in the Special Commissioner's office.

5. The Commissioners are requested to notify that payments may be made at the General Treasury at the option of the payers. They will take over whatever Books, Records, &c., Mr. Harrison or Mr. Balmain may have, connected with the Income Tax.

(Signed) J. D. SIM,
Acting Secretary to Government.
