Proceedings of the Madras Government, Revenue Department,
28th November 1860.

No. 483. Read the following letter from V. K. RAGAVA CHARRY, Secretary to the Madras Hindu Female Tamil School, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 16th November 1860 :—

SIR,

1. I am desired by the President and Members of the Madras Hindu Female Tamil School established in Venkatarámaiyar or Court-Ranganáda Mudali's street in Black Town Madras, to submit for the favorable consideration and orders of Government, their application for wholly exempting the property of the said Institution from the duties chargeable under the provisions of Act No. XXXII of 1860.

2. From the enclosed copy of the last Annual Report of the Institution, you will perceive that it is one, supported mainly by a fluctuating income derivable from private and voluntary contributions towards a public and charitable object, while the school fees fall considerably below the rates at which the above duties are assessed, and the current disbursements are met from contributions of the above nature, which alone form the property of the Institution. Such property being therefore in the opinion of the Directors of the Institution one falling within the scope of "that solely employed for charitable public purposes," contemplated in the provisions of the Act above quoted, I am desired to request that you will be pleased to procure the favorable orders of the Government on this application, with reference to Section 133 of the said Act.

No. 484. ORDER THEREON, 28th November 1860, No. 2,259.

Under Section 133 of Act XXXII of 1860, the Governor in Council is pleased to exempt from the duties chargeable under the said Act, all property belonging to the Madras Hindu Female Tamil School, in Black Town, proved to be bonâ fide applied to the purposes of that Institution.

(Signed) J. D. SIM,
Acting Secretary to Government.

THE SEVENTH

ANNUAL REPORT

OF THE

Madras Hindu Female Tamil School,

ESTABLISHED

IN COURT-RUNGANATHA MOODELIAR'S STREET, NEAR THE MINT, BLACK TOWN.

We the President and Members, respectfully beg to submit our report on the condition and progress of the above Institution during the year 1859, for the notice of its supporters and the Public in general.

From the statement of receipts and disbursements and from other particulars shown below, it will be observed that our Institution has been prospering during the year under notice. The income has exceeded that of the former years, while the expenditure has been somewhat less, by which we have been able to add a sum of Rs. 275-0-0 to the funds of the Institution.

In our last report we noticed that the attendance in the School was daily increasing. We are now happy to be able to say that it has improved so considerably that the daily attendance is not less than 70.

A large number of pupils were withdrawn during the year 1859, but the strength of the Institution has not thereby been affected, as there has been a more than an equal number of admissions. We have at present 88 pupils under tuition.

It is cheering to notice from the above facts that the prejudices hereto existing against the education of Native Females are fast disappearing, and we are led to indulge a hope that our countrymen will help to establish in other more convenient Localities of Black Town, Institutions similar to ours, as one will not by any means be sufficient for the whole population in Town. These new Schools will, we are sure, be well attended as many parents are now prevented from sending their young children to our Institution by the distance of their houses.
