No. 515. ORDER THEREON, 30th November 1860, No. 2,276.

1. The Government approve the arrangements proposed in paragraph 3 of these Proceedings respecting the territorial charges and stations of the Deputy Collectors.

2. Adverting to paragraph 4 the Government would observe that the efficiency of the Superintendence of the Salt Department depends very greatly on those Officers being much on the move inspecting the proceedings at the Salt Kachéris and Salt works. It is important therefore that they should not be allowed to become stationary Officers.

3. With reference to paragraph 5 the Government consider it unnecessary that maps should be supplied.
