Read the following letter from G. THORNHILL, Esq., Acting Collector of Kistna District, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Gudivada, 10th November 1860, No. 259 :—

SIR,

1. I have the honor to state that since my last report there have been very heavy falls of rain in the two Táluqs of Divi and Répalli. They have proved very injurious to the dry and partially to the wet crops, but the crops in other places are in a promising condition.

	Measure.	*Inches.*

Dates 22nd and 23rd October.

2. The Jilma and Budama crops are being reaped. The black paddy crop is coming into ear. In some places the wet crops are in want of water, viz., in that part of Gudivada Táluq under the Budamair and in the north and west of the District generally. The staple Jonna in the Guntoor District, is in a flourishing state but the crop is deficient in parts of Masulipatam.

3. The prices of grain are stationary, cholera, fever and ague as well as murrain amoung cattle are prevalent, in some localities.

Submitted for the information of Government.
