2. The Superintendent of Revenue Survey explains that no account of the expenditure was kept by him, and the Statement now submitted has been compiled from information obtained from the Collectors of South Arcot and Trichinopoly, from whose Treasuries the disbursements were made. The necessity of numerous references to the Collectors as to discrepancies which have only now* been cleared up, have deferred the submission of the account at an earlier period.

Letter dated the 19th February 1859, No. 179.

* *From Collector, Trichinopoly, 13th instant.*

3. The aggregate amount sanctioned by the Government of India for the conduct both of the Survey and Settlement operations in South Arcot is, as shown in the Statement, Rupees 1,00,326-0-0, and the whole expenditure amounts to Rupees 1,36,076-1-5 or Rupees 35,750-1-5 in excess of the amount sanctioned ; but as the cost of surveying Udiarpolliam and Ariyalúr Táluqs in Trichinopoly amounting to Rupees 54,294-6-1 as particularized in column 7 of the Statement, which is debitable to the general Survey of the Presidency under the views conveyed in Extract Minutes of Consultation, dated the 10th June 1857, No. 573, is included in the above amount of Rupees 1,36,076-1-5, the proper amount of expenditure actually incurred on account of the experimental Survey in South Arcot is Rupees 81,781-11-4 or Rupees 18,544-4-8 below the sanctioned amount.
