Proceedings of the Madras Government, Revenue Department,
7th December 1860.

No. 111. Read the following letter from J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. SIM, Esq., Acting Secretary to Government, Fort Saint George, dated Chittoor, 5th December 1860, No. 77 :—

SIR,

I have the honor to enclose a Statement embodying the information called for in the order appended to Proceedings of Government and dated the 30th November 1860, No. 2,234, and trust it will be found to satisfy all requirements in respect of the two lots of the Carnatic Property therein described. I greatly regret that, owing to a too easy acceptance of the reports of the Officers who inspected these lots, I should have fallen into a series of blunders which has given rise to so much delay and dissatisfaction, but hope that Government will excuse these shortcomings in consideration of the heavy press of business, which makes it almost impossible at times to give to details the time and attention they should receive.

No. 112. ORDER THEREON, 7th December 1860, No. 2,341.

Ordered that the necessary Certificates be furnished to the Receiver of the Carnatic Property under the signature of the Acting Secretary to Government.

(Signed) J. D. SIM,
Acting Secretary to Government.
