Proceedings of the Madras Government, Revenue Department,
8th December 1860.

No. 123. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 24th November 1860, No. 1,289:—

SIR,

1. As directed in the Proceedings of the Government dated 8th June last, I have the honor, in forwarding the progress statements of the Survey and Settlement operations for the past month, to submit the following remarks.

	Demarcation.	*Classification.*
	Square Miles.	*Square Miles.*
Salem.....	171	139
Kistna.....	140	132

2. The Settlement parties in the Salem and Kistna Districts have done the full amount of work both in Demarcation and Classification, as noted in the margin.

3. The Godavery field Establishment has been in office during the recess, and little work has been done in the field. It is preparing to proceed immediately to the Nellore District.

4. The Wainád party has made a small commencement of work, the working season after the rains having scarcely begun. Large drafts of men from the Salem party will have since arrived.

5. In the Survey branch, there has been the usual recess with all the parties, though a few Amíns remained to finish work in the Trichinopoly party. There is, therefore, little field work shown in the present month. The Wainád Survey party is about to resume work under the arrangements sanctioned in Proceedings of Government dated 14th instant, No. 2,137.
