Proceedings of the Madras Government, Revenue Department, 10th December 1860.

No. 134. Read the following letter from ARTHUR HALL, Esq., President to the Income Tax Commission, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, dated Madras, 1st December 1860, No. 26 :—

SIR,

1. With reference to the first part of paragraph 5 of the Order of Government No. 2,222, dated the 23rd November 1860, I have the honor to state for the information of Government, that the Commissioners are of opinion that it will give rise to considerable inconvenience and confusion, if there are two places appointed in Madras for the receipt of payments on account of the Income Tax.

2. The Commissioners consider, that it will be quite sufficient if it is notified to the public that payments of the duties in question, may be made at the Office of the Commission where the Collecting Officer is stationed, and they believe that this arrangement will fully meet the requirements of Sections 146 and 148 of the Act.

3. On this point the Commissioners beg to request the instructions of Government.

No. 135. ORDER THEREON, 10th December 1860, No. 2,353.

The Governor in Council accedes to the recommendation of the Commissioner.

Acting Secretary to Government.

I understand that payments into the Treasury are not liable from the impossibility of maintaining secrecy. The Comrs Office is quite close to the Dept of Collection, so that money as received can daily be conveyed thereto remitted to the Fort. There is a difficulty also as to the accounting at the Treasury. If
