Proceedings of the Madras Government, Revenue Department, 11th December 1860.

No. 160. Read the following Proceedings of the Board of Revenue, dated 7th November 1860, No. 5,154:—

Read the following letter from H. CLEGHORN, Esq., M.D., Conservator of Forests, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Madras, 25th September 1860, No. 187.

SIR,

1. I have the honor to request that you will be pleased to move the Board to apply to Government for the sanction of Rupees 15,700, being the amount expended above the sanctioned* sum (viz., Rupees 35,000) for working the Canara Forests during the official year 1859-60.

* *Proceedings of Government, No. 428, dated 20th March* 1860.

2. Government* ordered this Department to submit Supplemental Estimates when the amount sanctioned was insufficient to carry on the Forest operations during the year, but the Assistant Conservator did not know what amount was available in the hands of the Collector for the remaining portion of the year, owing to the confusion caused by the division of Canara into two Districts.

* *E. M. C., No. 302, Revenue Department, dated 27th March* 1857.

3. I have enjoined the Assistant to adhere to the orders of Government in future, and beg that the Board will obtain the sanction for the amount required, so as to enable the Collector to adjust the accounts in his books.

4. The framing of the North Canara accounts, which was permitted to be prepared as a special case, and as a temporary arrangement in the Collector's Office, has now devolved upon the Assistant Conservator, and I have directed him to submit in future monthly accounts showing the advances received from the Collector and the amount expended in Forest operations during each month. By this course I will always be kept informed as to the state of the fund, and prevent him from exceeding the Estimate.

Submitted to Government, with a recommendation of the Board, that under the circumstances sanction may be granted for the sum of Rupees 15,700 expended above the sanctioned Estimate of Rupees 35,000, for working the Canara Forests during the official year 1859-60.
