Proceedings of the Madras Government, Revenue Department,
12th December 1860.

No. 194. Read the following Proceedings of the Board of Revenue, dated 27th November 1860, No. 5,512 :—

Read the following letter from J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Chittoor, 2nd November 1860, No. 256.

SIR,

1. The superintendent of Police has written to ask whether he may have for the use of his Constabulary the three Bungalows situated at Kotakota, Panapákam and Chendragiri, stages on the road from Chittoor to Tirupati.

2. Of these three Bungalows, the first only is pukka built, and affords the ordinary accommodation; the second has long been in so ruinous a state that it is not worth repairing, and dangerous to put up in; and the third is a mere mud hovel without accommodation, and wholly unsuited for present purposes.

3. The road is not one that is frequented by European travellers, and these buildings are rarely if ever occupied. I would long since have advocated their transfer to the Police, but that I had my doubts whether it might not be desirable, when Tirupati becomes a Railway station (as it will when the Cuddapah Railroad has been completed so far) to have some places of public accommodation along the line which connects it with the head quarters of the District. Every future purpose would be served by the retention of the Kotakota Bungalow which is situated nearly midway along the line, and is within an easy night's run either from Tirupati or Chittoor. The transfer of the other two buildings to the Superintendent of Police I would strongly recommend, as they are neither wanted nor suited for the accommodation of travellers.

4. As Station houses, they might be made serviceable and the dilapidation arrested, from which as public Bungalows it would be mere waste of money to save them.

5. The state of these two Bungalows has been noticed in my return of the 15th March 1860.

---

1. Submitted for the orders of Government.

2. The Board concur in the recommendation of the Collector for the transfer of the Bungalows at Panapákam and Chendragiri to the Superintendent of Police. It will be observed that the first-named building is in a dilapidated state, and that the other is a mere mud hovel without adequate accommodation. Both are situated on a road not now frequented by European travellers, and the retention of the Kotakota Bungalow will suffice for all probable future requirements in the event of the Railway increasing the traffic along it.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 27th November 1860.

Read the following letter from J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Chittur, 2nd November 1860, No. 256 :—

1. The Superintendent of Police has written to ask whether he may have for the use of his Constabulary the three Bungalows situated at Kotakota, Panapak, and Chendragiri, stages on the road from Chittur to Tirupatti.

2. Of these three Bungalows, the first only is pukka built, and affords the ordinary accommodation; the second has long been in so ruinous a state that it is not worth repairing, and dangerous to put up in; and the third is a mere mud hovel without accommodation, and wholly unsuited for present purposes.

3. The road is not one that is frequented by European travellers, and these buildings are rarely if ever occupied. I would long since have advocated their transfer to the Police, but that I had my doubts whether it might not be desirable, when Tirupatti becomes a Railway station (as it will when the Cuddapah Railroad has been completed so far) to have some places of public accommodation along the line which connects it with the head quarters of the District. Every future purpose would be served by the retention of the Kotakota Bungalow which is situated nearly midway along the line, and is within an easy night's run either from Tirupatti or Chittur.
