*Proceedings of the Madras Government, Revenue Department,*
*13th December* 1860.

No. 196. Read the following Proceedings of the Board of Revenue, dated 29th November 1860, No. 5,573:—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Vallam, 26th November 1860, No. 383.

SIR,

1. In continuation of my letter of the 23rd ultimo, it is with much regret I have to report that since the 30th idem, the rain has almost entirely ceased, and that the rivers also being for the most part altogether empty, both the wet and dry crops throughout the District are at present in extreme jeopardy.

2. Indications of rain are not altogether wanting, but they have hitherto proved fallacious. I am still not without hopes, that after the full moon, we may have a fresh burst of the monsoon, but it is right that the Board should be aware of the circumstances in which we are at present placed.

Ordered to be submitted for the information of Government.
