Proceedings of the Madras Government, Revenue Department, 13th December 1860.

No. 214. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 23rd November 1860, No. 1,275 :—

SIR,

1. In continuation of my letters of the 7th September last, No. 853, and of the 1st October, No. 967, I have the honor to forward herewith two further Statements, showing the details of actual expenditure incurred on account of the construction of Boundary Pillars in some of the remaining Táluqs in the Godávery and Kistna Districts, amounting in the aggregate to Company's Rupees (1,520-2-1) one thousand five hundred and twenty, annas two and pie one, and request sanction for the same, viz., 647-9-0 to be adjusted in the accounts of the former District, and Rupees 872-9-1 in those of the latter.

2. The varying proportions of the different items are explained by the circumstances described in my previous letter of the 2nd instant, No. 1,144.

3. In the upland Táluqs of the Kistna District, stones were supplied often by the villagers themselves, who also aided in the preparation of the chunam. There was also superintendence available for the ordinary Establishment to a considerable extent. The cost of the pillars therefore in this locality is comparatively small.

No. 215. ORDER THEREON, 13th December 1860, No. 2,393.

The Government sanction the further outlay of Rupees (1,520-2-1) one thousand five hundred and twenty, annas two and pie one, stated to have been incurred in the construction of Boundary Pillars in the Godavery and Kistna Districts.

(Signed) J. D. SIM,
Acting Secretary to Government.

Statement showing the actual expenditure incurred on account of Village Boundary marks put up in the undermentioned Taluks in the Kistna District.

Taluks.	Value of Bricks	Value of Chunam	Rate paid Engraving for cutting marks on stones from the Hills &c. making station holes in the stones.	Rate paid for Bricks Layers &c.	Charges for Supervision &c.	Total	Total number of Pillars Erected	Average cost per Pillar
