Proceedings of the Madras Government, Revenue Department, 14th December 1860.

No. 244. Read the following Proceedings of the Board of Revenue, dated 10th December 1860, No. 5,785:—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Vallum, 5th December 1860, No. 399.

SIR

1. With reference to my letter of the 29th ultimo, I have the honor to report for the information of the Board that since then there has been a favorable change in the weather, and that showers have fallen generally throughout the District.

2. The monsoon, however, continues unusually light and partial, and in some places the rain fall during the past few days has been trifling. It is impossible, therefore, to speak with any certainty as to the prospects of the season, but since I last reported, the state of things has doubtless improved. I shall not fail to keep the Board informed of the state and prospects of the season as often as may seem necessary.

---

1. Ordered to be submitted for the information of Government in continuation of the Board's Proceedings of 29th November 1860.

2. The Board rely on the Collector keeping them duly informed of the state of the District.
