Proceedings of the Madras Government, Revenue Department, 15*th December* 1860.

No. 257. Read the following letter from H. EWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 3rd December 1860, No. 1,348:—

SIR,

1. Referring to paragraph 9 of the Proceedings of the Madras Government dated 1st instant, No. 2,289, I have the honor to state that the Assistants in the Settlement Department on 400 and 300 Rupees per mensem as therein proposed, will be placed at a disadvantage compared with the Assistants in the Survey Department, who draw 425 and 325 Rupees, and, as the duties of the Settlement branch are certainly in some points more important than those of the Survey, and altogether are not less arduous, to suggest the propriety of making the salaries equivalent to those of the Survey Assistants, viz. 425 and 325 Rupees per mensem.

2. This small addition will not disturb the principle of the arrangement, nor materially affect the financial calculations in the subsequent paragraphs, the additional cost being only about 6 Annas per square mile and within the margin described in paragraph 14.

$25 \times 2 \times 12 = 600$ *per annum.*
$600 \div 1{,}560$ *Square miles* $= 6$ *Annas,* 1 *Pice.*

No. 258. ORDER THEREON, 15th December 1860, No. 2,415.

1. The Assistants in the Survey Department receive a travelling allowance of Rupees 75 per mensem in addition to their salaries, which are Rupees 350 for the first and Rupees 250 for the second class.

2. The Governor in Council accedes to the request of the Director that the Assistants sanctioned in G. O. dated 1st instant, No. 2,289, should receive Rupees 425 and 325 respectively, will place them on the same footing as the Survey Assistants.
