Proceedings of the Madras Government, Revenue Department, 15th December 1860.

No. 261. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 5th December 1860, B. after No. 1,365 :—

SIR,

1. In consequence of my being about to proceed on circuit for the purpose of carrying out the Settlement of the Chidambaram and Manárgudi Táluqs, and my having arranged accordingly to send on a portion of my Establishment to the South Arcot District on the 1st of the current month, I applied to the Accountant General to authorize an advance of the aggregate amount of the salary of the servants who were to accompany me amounting, in round numbers, to Rupees 500, the same to be adjusted on the audit of the Pay Abstract of the past month ; but that Officer informed me in his communication of the 30th ultimo, No. 1,838, that he had no authority to permit advances being drawn by Public Officers on account of salary. When a similar application was made in October 1859, the Accountant General made no objection to it, and the advance then applied for was drawn under his authority from the General Treasury.

On 24th ultimo.

Letter from Accountant General, dated 27th October 1859, *No.* 1,190.

2. It some times occurs that some of my Establishment leave Madras about the end of the month and do not arrive at their destination before the middle of the following month. No pay can consequently be drawn until near the end of that month, which occasions considerable inconvenience as the servants have meanwhile to meet large travelling expenses.

3. Under these circumstances, I have the honor to request the sanction of Government for me to draw either at the General or District Treasuries, when occasion requires, advances on account of the pay of any part of my Establishment proceeding on circuit, and also of the mileage and batta according to the distance to be travelled.

P. S.—On the present occasion, the emergency has been met by an advance from my private funds.

No. 262. ORDER THEREON, 15th December 1860, No. 2,417.

The Honorable the Governor in Council authorizes the Director of Revenue Settlement to draw either at the General or District Treasuries advances of money to the extent of the pay of any portion of his Establishment proceeding on circuit, and also of the mileage and batta due to them according to the distance to be travelled, the same being adjusted in audit of the Pay Abstract for the month in which such advances are drawn.

(Signed) J. D. SIM,
Acting Secretary to Government.
