SOUTH ARCOT,
COLLR.'S OFFICE, CUDDALORE,
21*st November* 1860.

(Signed) H. WOOD,
Collector.

From R. H. WILLIAMSON, Esq., Postmaster General, to the Collector of South Arcot, dated 16th November 1860, No. 3,373.

I have the honor to acknowledge the receipt of your letter No. 111, dated 30th ultimo, and to inform you that the Supreme Government have taken away the power to authorize the entertainment of establishments both from myself and the Director General.

Copy of the order on the subject I enclose for your information.

The Civil Auditor at Madras will not under these circumstances, pass the Bills for any establishment unsanctioned by the Government of India.

From C. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department, to the Civil Auditor, North Western Provinces, dated Fort William, Council Chamber, 30th March 1860, No. 2,804.

Financial Department.

I am directed to acknowledge the receipt of your letter, No. 49,456, dated the 19th instant, enquiring with reference to the ruling of the 14th ultimo, viz., that the Local Governments shall for the future not have the power to sanction any establishments temporary or permanent without reporting the same to the Supreme Government for confirmation; 1st, whether the authorities subordinate to those Governments are to be permitted as heretofore to sanction establishments, and, 2ndly, whether every charge connected with an establishment is to be held to require the sanction of the Supreme Government prior to its being passed.

**Authority given under Orders of Govt. North Western Provinces.*	*Sudder Board of Revenue. Commisssoners of Divisions.*	*Prospective 6 months.*
Do. Govt. of India.	*The Director General of the Post Office in India.*	
	Post Master General	*do. 3 do.*

2. You observe in regard to your first enquiry that the authorities noted in the margin* have been hitherto understood to have the power of sanctioning establishments for the period specified against their names; and that as the Local Governments are held to be without the power of conveying this sanction, you are of opinion that it is impossible that those who are under them shall continue to possess this power even if the other two Officers, viz., the Director General of the Post Office in India and the Postmaster General are held to have that authority as being directly under the Supreme Government.

3. With respect to the above, the Honorable the President in Council desires me to state, that the ruling of the 14th ultimo, mentioned above, is to be held applicable to *all establishments* whether sanctioned in the first instance by the Board of Revenue Commissioners, the Director General of the Post Office, or the Postmaster General, and with respect to the second question, I am to state that every charge connected with an establishment *is* held to require the sanction of the Supreme Government, and should not be passed without such sanction having been obtained.

4. With reference to the opinion expressed by you in the 7th paragraph of your letter under acknowledgment, viz., that some date should be specified from which the powers hitherto held with respect to the sanction of establishments by the Lieutenant Governor and the different authorities quoted by you shall be held to terminate, I am directed to inform you that the President in Council determines that the recent orders will be applicable to all establishments entertained subsequent to the date of those orders, viz., 14th February 1860.

No. 2,815.

Ordered that a copy of the above letter be sent to the Governments* and the Auditors,† noted in the margin, for information and guidance.

* *Governments of Bengal, Madras, Bombay, North Western Provinces, the Punjab, and the Eastern Settlements.*
† *Civil Auditors, Fort William, Madras, Bombay and the Punjab.*

Ordered also that a copy of the above letter and of the Resolution of the 14th ultimo, be sent to the Home Department for communication to the Director General of the Post Office in India.

Secretary to the Government of India.

2. The Collector may, as proposed, raise the Tappal Establishment, if necessary, to the strength indicated in paragraph 1 of his letter, at a cost not exceeding Rupees (158) one hundred and fifty-eight per mensem, pending the revision by Mr. Pelly of the Revenue Establishments.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from H. WOOD, Esq., Collector of South Arcot, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Cuddalore, 21st November 1860, No. 58.

Enclosure (No. 1) is a Statement shewing the Talúq Tappal Establishment previous to the introduction of the new Police. This Establishment was at all times supplemented, with Taliaries and Peons from the Revenue Department. On the new Police being constituted the assistance of the Taliaries could no longer be afforded. Mr. Pelly's arrangements had a similar effect as regards the Revenue Peons. I therefore wrote* to the Post Master General representing the state of affairs, soliciting sanction to entertain an extra establishment as per margin,† and stating that I had informed Mr. Pelly I had employed part of it. The part to which I alluded is shewn in the column for July, in Statement enclosed (No. 2.) Since July, I have added month by month to it (as the requirements of the Tappal Department rendered necessary) the further establishment shown in the succeeding columns of the Statement.

2. For the whole of the Talúq Tappal Department, I have since July monthly submitted Bills to the Post Master General for his countersignature with a view to their audit and lately addressed him requesting attention to them. In reply I have been favored with the enclosed letter stating that the Post Master General has ceased to have authority to *sanction* establishments and that sanction for them must be had from the proper quarter before their pay can be passed. The Post Master General has overlooked the fact that part of the Talúq Tappal Department has been employed for a long time and is not a new creation, but this point is of little consequence. I beg that the Government will favor me with authority to obtain the arrears now due as per margin,‡ and at the same time accord permission for me to raise the Tappal Department if necessary to the strength indicated in my letter to the Post Master General of the 24th July, pending the issue of the revision Mr. Pelly is now making
