Proceedings of the Madras Government, Revenue Department,
18*th* *December* 1860.

No. 310. Read the following letter from THOMAS OLDHAM, Esq., Superintendent of Geological Survey of India, to T. PYCROFT, Chief Secretary to the Government of Madras, dated Calcutta, 6th December 1860, No. 428 :—

SIR,

1. I have the honor to report for your information, that in the general arrangement of the Geological Survey of India it has become necessary for Mr. Henry F. Blanford, who was in charge of the party of the Survey engaged in the Madras Presidency to come to Bengal, in order to prosecute his researches into the rich collection of fossils obtained in the Trichinopoly District. The charge of the party has therefore been transferred to Mr. Charles A. Oldham who will assume the duties immediately.

2. And I have therefore, the honor to request that the authority granted to Mr. H. F. Blanford (8th May 1857) to draw from the local Treasuries in Madras such sums monthly, as might be required for the current expenses of the Geological Survey there, not exceeding 2,500 Rupees, may be transferred to Mr. C. Oldham; such advances to be adjusted in the same way as hitherto.

3. Mr. Oldham is desired to report himself to you, and to give to the Madras Government any aid in his power while in charge of the Geological Survey party.

No. 311. ORDER THEREON, 18th December 1860, No. 2,441.

Communicated to the Accountant General for information and guidance.
