G.O. No. 26 Press ~~Mis.~~

Dated 5 — 1 — 1860.

Not to be folded or roughly handled

No. 55. Read the following Proceedings of the Board of Revenue, dated 15th December 1859, No. 5207.

Read letter, dated 1st November 1859, No. 145, from the Collector of Karnúl, reporting on a case of lapsed pension.

(In Con. 9th November 1859, No. 5569.)

Resolved that the letter above recorded be submitted for the consideration and orders of the Honorable the Governor in Council.

2. The deceased Poligar, Bozappah Naid, drew a pension of Rupees 49-3-6 per mensem, sanctioned to him conjointly with his mother, the widow of the late Mullikargiri Nair, by the orders of Government, dated 25th June 1813. He has left two widows and three sons, the latter being mere children; and the Collector recommends that the above pension be continued in the name of the two former conjointly, for the support of the family.

In Con. 28th June 1813, *No.* 804.

3. The Board are of opinion, however, that the pension should be renewed in the name of the eldest son. Should disputes hereafter arise between the widows, or the children, the propriety of dividing the allowance may be considered.

4. The order of Government above quoted, does not explain the tenure of the grant, but as the Poligar pensions of the Ceded Districts are generally of a hereditary character, the report of the Collector of Ballari, that this allowance is hereditary, is probably correct.

25th in Con. 28th June 1813, *No.* 804, *R. D.*

5. The Collector of Karnúl will be instructed to prepare his reports of lapsed pensions in future in the prescribed form, and to avoid such lengthened delay in their submission. The Board recommend that the present application for the continuance of the pension enjoyed by the late Bozappah Naid in the name of his eldest son, may be sanctioned from the date of his decease, viz. 13th September 1858.

No. 56. ORDER THEREON, 5th January 1860, No. 26.

Agreeably to the recommendation of the Board of Revenue the Government grant authority for the monthly pension of Rupees 49-3-6 enjoyed by the late Bozappah Naid being continued in the name of his eldest son from the 13th September 1858 the date of his father's demise.

The Government cannot refrain from noticing the long delay that has occurred in reporting this case. Bozappah Naid died on the 13th September 1858 and it is only on the 1st November 1859 or thirteen months after date that any report of the occurrence is made to the Board of Revenue. Such delay is not only an evil and an injustice in itself, but is often made the means of still greater wrong to the sufferer.

Secretary to Government.
