Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 7. Read the following letter from W. HUDLESTON, Esq., Sub-Secretary to the Board of Revenue; to T. PYCROFT, Esq., Chief Secretary to Government, dated 11th February 1860, No. 758.

From Collector dated 7th in Con. 10th September 1859, No. 4506, with 2 enclosures.

In submitting for the sanction of Government, the accompanying bill from the Collector of Chingleput, for Rupees 2-8-0, being the contingent (Sádirwárid) charges of the Police Amín's kach'hárí at Pulicat, during the month of June 1859, and which the Civil Auditor declines to pass, without the sanction of Government, I am directed by the Board of Revenue to explain, that this extra expenditure has been incurred, wholly or in part, monthly since fasli 1261, A. D. 1851-52, in consequence of the transfer at that period of the Gummadipúndi division of the Satvéd táluq, in which Pulicat is included, from North Arcot to Chingleput, without any corresponding addition to the sanctioned standard contingent estimate of the latter district.

Vide E. M. C. in the Revenue Department, No. 327, dated 5th in Con. 28th April 1851, No. 796.

2. The charge in question was, for the first nine months, included by the Collector in his quarterly statements of contingent charges not exceeding 20 Rupees each, formerly submitted to, and sanctioned by, the Board, but was subsequently, under the Board's instructions, transferred, as a necessary and permanent charge, to the annual statement of actual charges incurred without estimate, and was in that shape apparently passed by the Civil Auditor for a long time, nor does any objection appear to have been made to it until the occasion which gives rise to the present application.

3. Under the above circumstances, the Board direct me to recommend that the bill for June be sanctioned, and the Collector authorised to increase the fixed annual estimate of contingent charges for his district by Rupees 30-0-0, pending sanction of the revised estimate, which he has been requested, in common with all other Collectors to furnish, so soon as the general revision of táluqs, now progressing, will permit of it.

No. 8. ORDER THEREON, 1st March 1860, No. 328.

Under the circumstances stated, the Government sanction the bill amounting to Rupees (2-8) two and annas eight submitted with this letter, and grant authority for increasing the fixed annual estimate of contingent charges for the Chingleput district by Rupees (30) thirty.

(Signed) T. PYCROFT,
Chief Secretary.

From C. J. SHUBRICK, Esq., Collector of CHINGLEPUT,
dated Sydapet, 7th September 1859, No. 328.

I have the honor to forward enclosed copy of a letter received from the Civil Auditor, declining to pass the saderwared charges incurred by the police Ameen at Pulicat for June last under the authority conveyed in the remarks of the Board, dated the 3rd June 1852, on the statement of contingent charges for the first quarter of 1852, and which have heretofore been passed by that officer without objection, and request that the sanction of Government may be obtained for the amount as soon as practicable, and for the annual allowance being fixed at Rupees 30.
