Proceedings of the Madras Government, Revenue Department, for the month of January 1860.

No. 67. Read the following letter from Mr. W. E. WRIGHT, Acting 1st Assistant District Engineer South Arcot; to J. D. BOURDILLON, Esq., Secretary to Government, dated Cuddalúr, 29th December 1859.

With reference to the lists of nominations for Deputy Collectorships submitted by Collectors and Judges to the Board of Revenue and since, I believe, by the Board to Government, I have the honor to bring to notice that the Collector of South Arcot, whose intention it was to have nominated me for transfer from the Department Public Works to a Deputy Collectorship, was suddenly called to Madras on special duty and that the acting Sub-Collector in charge was not aware of Mr. Hall's intention to send up my name, whilst his request, that Mr. Dalyell would do so, arrived too late, hence the omission of my name from the South Arcot list.

Under these peculiar circumstances I have the honor to solicit the consideration of my case by Government.

No. 68. ORDER THEREON, 5th January 1860, No. 33.

As Mr. Wright states that it was Mr. Hall's intention to recommend him for the post of Deputy Collector the Government resolve to refer his letter to that gentleman for his report on Mr. Wright's qualifications and character.

(Signed) J. D. BOURDILLON,
Secretary to Government.
