The instructions on the back
of the paper were simply to com-
municate to the Board of Revenue.

I might have brought to no-
tice that the Military Dept were
not ordered to be informed of the Col's
letter, but looking at my instructions,
I thought that it was perhaps not
necessary to do so, especially as I found
that none of the orders passed in
this Dept, after the Military Dept
the land was purchased then the
Rev Dept, had been communicated
to the Military Dept.

The orders have now been signed by
the Dy Secy & sent to the Mil Dept. W.S.

Military Department.

Memorandum.

It having been ascertained that orders have been passed in the Revenue Department, connected with the Proceedings in the Military Department as per margin, sanctioning the purchase of land at Mangalore for the New Cantonment, the Military Secretary to Government has the honor to request that any orders passed on the subject in question, may be furnished for communication to the Military Department, concerned.
