Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 9. Read the following letter from A. J. ARBUTHNOT, Esq., Director of Public Instruction, to T. PYCROFT, Esq., Chief Secretary to Government, dated Madras, 27th February 1860, No. 340.

I have the honor to reply to the Proceedings of Government in the Revenue Department under date the 24th November 1859, No. 1597, sending me certain papers* connected with the case of Lingam Lakshmaji, who is now employed as Deputy Inspector of Schools in the District of Vizagapatam.

* *Herewith returned.*

2. I had been permitted by the Board of Revenue to peruse most of these papers before determining on the appointment of Lingam Lakshmaji to his present situation. It appeared to me that under the circumstances of the case the evidence which was obviously of a very untrustworthy character, there were not sufficient grounds for pronouncing Lingam Lakshmaji unfit to be employed in the Educational Department, for which, from his great ability and previous studies, he is in some respects particularly well qualified; and this appeared to be the opinion of two of the Members of the Board of Revenue with whom I conferred on the subject.

3. Since receiving the Proceedings of Government now under reply, I have had an opportunity of conferring with Sir Alexander Grant, under whom Lingam Lakshmaji is now serving, and who considers him eminently qualified to promote the cause of Vernacular Education. Lingam Lakshmaji is not employed in teaching and since his appointment, a considerable portion of his time has been devoted to revising and preparing Uriya School Books. I do not think it would be advisable to remove him from the Department.

No. 10. ORDER THEREON, 13th March 1860, No. 371.

Ordered to be recorded.

(Signed) J. D. BOURDILLON,
Secretary to Government.
