*Proceedings of the Madras Government, Revenue Department, for the month of March* 1860.

No. 15. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 20th January 1860, No. 6 :—

I have to acknowledge the receipt of your letters of the 5th May (No. 14) and the 4th November (No. 59) 1859, which forward statements and explanations regarding the arrears of Land Revenue outstanding at the close of Fasli 1267 (1857-58). Satisfactory progress appears to have been made in reducing the amount of these arrears by realizations and remissions, and I trust that the arrangements which have been recently made will prevent the recurrence of the discrepancies which have hitherto existed between the Statements furnished by the Accountant General and those submitted by the Board of Revenue.
