Proceedings of the Madras Government, Revenue Department, for the month of January 1860.

No. 75. Read the following Proceedings of the Board of Revenue, dated 2nd December 1859, No. 4974.

Read letter from the Officiating Collector of Madras, dated 5th November 1859, No. 177, submitting a statement of certain pensioners proposing commutations of their pensions, and stating what measures be adopted for their identification and with what result.

(In Con. 7th November 1859, No. 5534.)

In Consultation 12th March 1859.

C. O. Book 1855 *page*, 76.

With reference to Extract Minutes Consultation, dated 11th March 1859, R. D., No. 305, and under paragraph 5 of the commutation rules contained in the Circular, dated 21st July 1855, the Board sanction the commutation of the pensions referred to by the Collector, but with reference to the five females whose names are included in statement B, they are of opinion that the ages, as given by the register, should be adopted in preference to those reported by the confidential females, which appear to be based on mere guess. In one case, the difference of age is 14 years, and the Board are of opinion that the entries in the register made from the statements of the individuals concerned, at a time when they had no object in making themselves out younger than their real age, are more reliable than the present statements. The total amount to be paid in commutation of the whole number of 18 pensions under this sanction, is Rupees 11,296-2-0.
