Proceedings of the Madras Government.
Under date the 18th October 1860.

Two and a half months have elapsed since Mr. J. Clarke was directed to submit a report on the salt Establishments which he had then recently visited. The long delay which has occurred in obeying the order must necessarily ~~greatly~~ diminish the value of the information. The Government resolve however now to call Mr. Clarke's attention to the subject and to express the hope that he will send in his report without further loss of time.
