To

The Secretary to the Revenue Board

Sir,

I have the honor to acknowledge receipt of Proceedings of the Board of Revenue dated 31st Instant No 935 forwarding probable estimates of the expense of manning the two boats now under construction at Cochin as guards over the Tinnevelly pearl banks, and to state that they appear to be judiciously and economically framed, and that I would recommend their sanction.

2. There will of course be occasionally other charges for the supply of small stores, such as canvas, twine, oakum, pitch, and other articles which are required in keeping a Vessel in order, but these cannot so well be estimated and the expenses for them had better be exhibited in Contingent bills.

3. The enclosures received with the Proceedings are herewith returned as requested.
