Proceedings of the Madras Government, Revenue Department, for the month of March 1860.

No. 83. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to the Secretary to Government, Revenue Department, dated Rajahmundry, 24th February 1860, No. 79.

I have the honor to enclose for the favorable consideration of Government, a letter from Deputy Collector V. Venkatachellam and to solicit sanction to the expenditure that has been incurred on account of his Establishment.

2. The Government are already aware that no passed Candidates can be procured in these Districts until after the approaching examination. To enable him to proceed with his work V. Venkatachellam has consequently been compelled to avail himself of unpassed men. He is endeavouring to obtain the services of men already in revenue employ, but has not yet succeeded, and under these circumstances I venture to solicit the permission of Government to enable him to retain, as a temporary measure, his present Establishment.

3. Should the Government be pleased to accord their sanction to the accompanying Bills I beg that they may be forwarded direct to the Civil Auditor for audit.

No. 84. ORDER THEREON, 17th March 1860, No. 407.

The Government sanction the Bills submitted with this letter for expenditure incurred in December 1859 and January 1860 on account of the Establishment employed by Deputy Collector V. Venkatachellam amounting in the aggregate to Rupees 103-7-10. Under the circumstances represented, the Government also permit the unpassed servants now employed by the Deputy Collector being retained until the result of the next uncovenanted service examination is known when the Inám Commissioner will report again stating what he has done for the purpose of obtaining the services of passed Candidates.
