Proceedings of the Madras Government, Revenue Department, for the month of January 1860.

No. 85. *PROCEEDINGS of the MADRAS GOVERNMENT.*

Dated 6th January 1860, *No.* 42.

The attention of the Government has been drawn to a suggestion in one of the local journals; that the charge for the use of the traveller's bungalows should not be per head but for the room or rooms occupied by the party. It appears to them to be reasonable and just, and they resolve to draw the attention of the Board of Revenue to it, and to request that if upon consideration they see no material objection, they will submit modified rules for giving effect to it.

2. The proposed rule will relieve a large family or party travelling together, while the accommodation supplied by the building will be equally paid for in all cases.

Chief Secretary.

No 42.

To the Madras Government

Under date the 6th January 1860.

The attention of
the Government
has been drawn to a suggestion
~~having observed in~~
in one of the local journals;
~~a recent newspaper~~
~~a remark to the effect~~
that the charge for
the travellers'
the use of bungalows
should not be per head
but for the room or rooms
occupied by the party.
It appears to them to be reasonable &
just & they resolve to draw
the attention of the
Board of Revenue to
~~the suggestion~~ it and
to request that if upon
consideration they
see no material objection
they will submit
modified

modified rules for
giving effect to it.
The suggestion appears
to the Govt to be a
good one, for if the
change is regulated
by a Sto per week,
it will be inconveni-
-ently large to a
subordinate Travelling
with a family.

2. The proposed rule will
relieve a large family
or party travelling together,
while the accommodation
supplied by the Railway
will be equally paid
for in all cases.
