From

Charles H. B. Priestley
Superintendent Revenue Survey

To

H. Newall Esq.
Director of Rev. Sett.

Sir,

31st Oct 1890

In reference to the Pro Board Revenue
forwarded with your memo of the 6th Instanc
I have the honor to state after a full consideration
of the subject in communication with the Dist
Survey officers I am of opinion that at present
it is not advisable to invest any one but myself
& my Deputies with powers under Act XXVIII of 1860.

2. That it would be advantageous to have
more than one Survey Officer in a District with
such powers is not however desired but the difficulty
to be overcome lies in the selection of such as may be
fit to entrust with them.

3. Many of the Aferland Settles are
too young & inexperienced according to my judgment
& in many cases the same objection exists to the
nomination.

nomination of Head Surveyors. Besides this the existence of some great necessity ought I think to be proved before I should be warranted in recommending Assistant Supts to be placed over & powers under the Act conferred on their subordinates.

4. Should at any future time the necessity of additional aid to the Dy. Supts be found to exist I purpose applying for it.

I have the honor to be

Sir

Your Most Obedient Servant
 Frederick M. Priestley Esq
 Superintendent of Revenue Survey
