PROCEEDINGS OF THE BOARD OF REVENUE, dated 16th November 1860.

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 10th November 1860, No. 365 :—

1. With reference to the Proceedings of Government, dated the 28th ultimo, No. 21, I have the honor to state for the information of the Board, that the appointment of my Deputy Collector, Rama Iyengar, to the charge of the Treasury leaves him without any Establishment of his own. In addition to his work as Treasury Deputy, he will have to continue the investigation into the outstanding advances in the Engineer's Department on which he is now engaged under the orders of Government noted in the margin.

Proceedings, 6th June 1860, No. 1,180, Public Works Department.

2. When introducing the Mottafysel Settlement last year, in many cases, the consent of the leading Mirasidars only was obtained to the change, as it was impossible to procure the attendance of all the Ryots of every village at once; but it is now of importance, in order to prevent future cavil, to obtain the signatures of all the Mirasidars concerned in each case, and Rama Iyengar is now employed in seeing this done and in hearing and settling the objections and disputes arising out of the same. I have further desired Rama Iyengar to proceed to settle the few villages still remaining under Olungoo, the owners of which were not willing to accept the new settlement last year, but appear now disposed to receive the terms offered.

3. For these duties it is necessary that Rama Iyengar should be allowed to retain the Establishment he now has, as the English and Vernacular Account Departments, which he will have under his control as Treasury Deputy, will only suffice for the performance of their own proper duties.

4. I beg accordingly to request that the Board will be pleased to obtain the authority of Government for retaining, till the completion of the special duties above described, the Deputy Collector's own Establisnment as specified in the margin.

Ordered to be submitted to Government with the Board's recommendation, that the Collector be authorised to retain the Establishment in question until the special work that has been entrusted to the Deputy Collector Rama Iyengar shall have been completed.

Submitting with the recommendation of the Collector of Guntoor requesting the sanction of Government to the establishment of a Police Choultry at Amaravatty

Read the Collector's letter noted in the margin, submitting with the recommendation of the Board of Revenue, the application of Venkata Chinna Thambi Pantulu Garu, Karnam of Amaravatty in Guntoor Taluk for the establishment of a Police Choultry at that village.

It appears that the Karnam has collected from the Ryots of the village the sum of Rupees 2291- for the purpose of erecting a Choultry, and that he has also contributed Rupees 1000- from his own funds.

The Collector recommends that the Choultry be established at Amaravatty, and that the Karnam be allowed to collect from the Ryots of the village the sum of Rupees 3291- for the purpose.

The Board of Revenue concur in the Collector's recommendation.

Ordered that the Choultry be established at Amaravatty, and that the Karnam be allowed to collect from the Ryots of the village the sum of Rupees 3291- for the purpose.

To the Collector of Guntoor
