Sir

I have the honor to request that you will be so good as to forward my application for six months leave on urgent private affairs under Section XIV cl 1 of the Civil Service Absentee Rules.

The urgent private affairs referred are my desire to visit my brother of the Bengal Civil Service in the North West Provinces whom I have not seen for more than 13 years. Last year I sent in a similar application for leave in March, but the Government were pleased to say that they could not grant my request, owing to their inability to provide for the performance of my duties. Therefore, though

I do not wish to take my leave before the middle of the February month of ~~March~~, I make my application thus early, in order that the Government may have time to make the necessary arrangements for the performance of my duties.

I would only add that during my service of five years I have been granted only one month's leave.

Hey my leave may be granted from the date of my relieving the Asstt any day after the 15th February 1861.

I have the honor to be
