Proceedings of the Madras Government, Revenue Department, for the month of April 1860.

No. 36. Read the following Remarks of the Board of Revenue, dated 27th October 1859, No. 4,386, on the following Tabular Report of a lapsed Yaumia :—

No. 1,208, From the Collector of North Arcot, dated 22nd March 1859.

(In Con. 23d March 1859.)

And letter, No. 5,008, dated 4th October 1859, No. 238.

(In Con. 7th October 1859.)

As the service for the performance of which this Yaumia was granted, is reported to be regularly kept up, the Board recommend that the allowance be registered in the name of Mír Esuf Ali in succession to his first cousin, the last incumbent ; and that the arrears due to the latter from 1st April to 6th August 1858, the date of his decease, as well as those which have accrued *since* that date, be paid to the said Esuf Ali, for the benefit of the family.

In Con. 7th October 1859, *No.* 5,008.

2. In his letter of the 4th October 1859, the Acting Collector explains the cause of the discrepancy between the amounts of the Yaumia entered in column 2 of the Statement, and that shown in the translation of the Nawáb's Phérist, which accompanied it. It appears that the original allowance was altogether 74 Rupees, and that it was subsequently reduced to 63 Rupees by Mr. Græme.

(By order.)

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 37. ORDER THEREON, 4th April 1860, No. 520.

1. According to the documents sent up in support of this claim the allowance originally consisted of two parts, viz. 60 Rupees yearly as a subsistance allowance, and 14 Rupees allowed for the Urus ceremony of a person named. The amount of 74 Rupees is stated to have been reduced by Mr. Græme to 63 Rupees, at which the allowance continued up to the death of the late holder.

2. Before passing orders on the application for the continuance of the allowance to Mir Esuf Ali, the Government desire that the Board will call for Mr. Græme's register of 1815; and also that they will report on what grounds they have considered this and other similar grants permanent so long as the service is kept up. It is observed that only a small part of the allowance was granted for any service ; and that service was only connected with the tomb of a person deceased.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Sir,

I have the honor to furnish the explanation called for in the Board's Official Memorandum of the 25th July last, respecting the discrepancy between the Amount (Rupees 63) of the Grant as shown in Column 2 of my Predecessor's Tabular Statement dated 22d March 1859, and that (Rupees 60) entered in the Extract from the Nabob's Phirmaund, which accompanied the Statement.—

24

At the time the original grant was made, two separate Phirmauns appear to have been issued by the Nabob, one for 60 Rupees, the other for

14

77 Rupees, to Soolthan-bee-bee, the first Grantee, she enjoyed during her life time the aggregate amount Rupees 7130 her demise in July 1822, this allowance of 77 Rupees was reduced to 63 Rupees by Mr Graeme, and the same registered in the name of her grandson, Meer Abbaully.—

2 In the Register Z, submitted to your office by Mr Graeme on the 25th January 1815, the amount, you will find, is entered as 63 Rupees per annum, which allowance was enjoyed by Soolta Beebee's lineal descendants, the last Registered incumbent being Abdoolally Khan, agreeably to Extract Minute Consultation dated 6th April 1852.—*

* Received with the Board's Pro. 22d April 1852

3 Extracts of the two Pharest above referred to, have already been forwarded to your Office with my Predecessor's tabular Statement, dated 22d March last.—

Proceedings of the Madras Government.

Under date the [illegible] Oct./59

Read the following Remarks of the Board of Rev:

Submitting letter from the Collector of North Arcot forwarding a Summary upon a certain pension [illegible] recommending that the allowance be [illegible] in the name of [illegible] in succession to the first [illegible] named.

(Rev. Sub. 27 Oct/59 No 4385)

1 According to the documents sent up in support of this claim the allowance originally consisted of two parts, viz. 60 Rupees yearly as a subsistence allowance and 14 Rs allowed for the ceremony of a person named – The amount of 74 Rupees is stated to have been reduced by Mr. Graeme to 63 Rupees, at which the allowance continued up to the death of the late holders. The

Service

service above specified is one of those for which allowances are considered to be personal, and not hereditary. Under these circumstances the Governor in Council declines to renew the allowance which will cease from the death of the late incumbent.

2. The Board of Revenue will be careful in future in every case wherein they recommend a service Yeomia for renewal, to report the nature of the service for which it was granted. It is not sufficient merely that a service is stated to be performed, in order to justify the continuance of the Yeomia, it must be shewn also that the service is

is among those for which allowances are regarded as hereditary. The omiss of this information in th Board's report causes muc loss of time & labour i the Govt. office, & often leads to further correspond

I agree with the remarks Mr Graeme [illegible] write & explain [illegible]

To The Bd. of Rev.

I will reconsider the subject when we get the additional information
