*Proceedings of the Madras Government, Revenue Department,
for the month of April 1860.*

No. 40. Read the following Remarks of the Board of Revenue, dated 7th May 1859, No. 1,636, on the following Tabular Report of lapsed Yaumia:—
No. 1,251, from the Collector of Nellore, dated 22nd March 1859.

(In Con. 25th March 1859.)

The Board concur in the opinion of the Collector that the Yaumia was granted originally for subsistence, and that it is not of a hereditary character; but adverting to the hardship which would be caused by the sudden discontinuance of a grant which has been in the enjoyment of the family since Hegira 1212, A. D. 1797, and to the Orders of the Honorable Court, dated 18th May 1842, No. 12, (page 329 of C. O. Book) the Board recommend that a moiety of the allowance enjoyed by the deceased be continued in the name of his eldest son, Kurbán Ali Sháh, on the distinct understanding that it is to terminate at his death.

2. With regard to the enquiry made by the Collector towards the close of his remarks, the Board would observe that it was not the object of the order quoted by him to prohibit the report of *lapses* of Yaumia or other money allowances, but simply to require reports of them *distinct* from those of Ináms. Of course, in cases where a Yaumia has been already restricted by Government to the life of the incumbent, a report on lapse is not required, but until this is done, it is obvious that Government may think fit to continue an allowance which the Collector considers may be resumed; and on this account it is evident that every lapse not absolute, should be reported for orders.

REMARKS of the BOARD of REVENUE, dated 7th May 1859, on the following Tabular Report of a lapsed Yeomiah.

No. 1251, From the Collector of Nellore, dated 22nd March 1859.

(In Con. 25th March 1859.)

The Board concur in the opinion of the Collector that the Yeomiah was granted originally for subsistence, and that it is not of a hereditary character; but adverting to the hardship which would be caused by the sudden discontinuance of a grant which has been in the enjoyment of the family since Hegira 1212, A. D. 1797, and to the orders of the Honorable Court, dated 18th May 1842, No. 12, (page 329 of C. O. Book) the Board recommend that a moiety of the allowance enjoyed by the deceased be continued in the name of his eldest son, Coorban Ally Shah, on the distinct understanding that it is to terminate at his death.

2. With regard to the enquiry made by the Collector towards the close of his remarks, the Board would observe that it was not the object of the order quoted by him to prohibit the report of *lapses* of Yeomiahs or other money allowances, but simply to require reports of them *distinct* from those of Inams. Of course, in cases where a Yeomiah has been already restricted by Government to the life of the incumbent, a report on lapse is not required, but until this is done, it is obvious that Government may think fit to continue an allowance which the Collector considers may be resumed; and on this account it is evident that every lapse not absolute, should be reported for orders.
