*Proceedings of the Madras Government, Revenue Department,
for the month of April 1860.*

No. 44. Read the following Proceedings of the Director of Revenue Settlement, dated Utakamand, 3rd March 1860, No. 181 :—

Read the following letter from Captain F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to H. NEWILL, Esq., Director of Revenue Settlement, dated Utakamand, 16th February 1860, No. 113 :—

Representations have been made to me to the effect that it has been found impossible to induce competent persons to undertake the duties of Head Draughtsman in the Offices of Deputy Superintendents Revenue Survey on the present sanctioned salary.

2. The principal reason assigned is that the position much resembles that of the person holding a similar appointment in the office of a District Engineer, whose head quarters are fixed and whose duties are lighter, whereas he draws one-half more pay in the Department Public Works than in the Survey.

Survey Department.....	Rs. 50
Department Public Works 60 }	78
Travelling allowance.....18 }	

3. I have, therefore, the honor to request that permission be solicited, for the pay of Head Draughtsman in the Office of Deputy Superintendent being increased where found necessary to Rupees 75, and for the first Assistant Draughtsman being given that now drawn by Head Draughtsman, viz., Rupees 50.

Recommended for the reason stated by Captain Priestley for the favorable consideration of Government.

(Signed) H. NEWILL,
Director of Revenue Settlement.

No. 45. ORDER THEREON, 4th April 1860, No. 524.

Government observe that the case is not stated correctly as regards the two classes of Draughtsmen referred to. Those in the District Engineer's Office do not get half as much again as persons holding similar positions in the Survey Department. The real salaries are noted below :—

	Rs.
Salary of a Draughtsman in a District Engineer's Office...	60
Travelling allowance at 3-10ths of salary...	18
	—
	78
Salary of Head Draughtsman in the Office of Deputy Superintendent of Survey...	50
Travelling allowance at 3-10ths of salary...	15
	—
	65

and in addition to this he draws a mileage allowance at the rate of 4 annas, which may often bring up his receipts to those of the District Engineer's Draughtsman.

2. Captain Priestley does not state what he intended to include in the sum of Rupees 75, which he recommends as the salary for the Head Draughtsman.

3. The Director of Revenue Settlement will be requested to reconsider his proposal.

(Signed) J. D. BOURDILLON,
Secretary to Government.
