IN CON. 11TH FEBRUARY 1860, No. 654.

From C. J. SHUBRICK, Esq., Collector of CHINGLEPUT,
dated Saidapet, 9th February 1860, No. 44.

I have the honor to submit an Account Current of the receipts and expenses incurred in 1859, in the travellers' bungalows on the southern trunk road where the Bengal system of management has been fully introduced. The success which attended the introduction of the system in the Chingleput bungalow in 1857, induced me in my report* for last year 1858, to recommend that it should be extended in its integrity to the other bungalows on the same line of road and which Government were pleased to sanction in Extract from Minutes of Consultation, No. 354, of the 18th March 1859.

* 3rd February 1859, No. 22.

2. The Account Current herewith submitted will shew that the expectations then held out of rendering the bungalows self-supporting have been fully realised, and that after meeting all expenses of establishment and an outlay of Rupees 340 for new furniture, there remains a clear balance to the credit of the bungalows of Rupees 197-15-11. The details of receipts and expenditure will be found in the Account Current. It will be seen that including the balance on hand at the beginning of the year Rupees 253-1-0, the total receipts amounted to Rupees 983-9-0 and the total expenses to Rupees 785-9-1, leaving a balance as already adverted to of Rupees 197-15-11 to be carried to the credit of the ensuing year.

ENC. 1.

Proceedings of the Madras Government

Under date the 4th April 1860.

Read the following Proceedings of the Board of Revenue.

On the subject of the receipts and disbursements at the several bungalows in the Chingleput District for the year 1859.

Here enter March 10th 1860 - No. 1230.

1. The Board submit a report from the Collector of Chingleput of the management of certain Traveller's bungalows in his District on the Bengal plan, in the year 1859.

The Governor in Council considers the result of the system in the year under review to be decidedly good: The Board will report into what District the Bengal plan has been introduced, and in future will make an annual report on the whole, with a statement of the financial results.

On a comparison of the Board's "Proceedings" with the Collector's letter, I think this is hardly a case for remission. No 801. 21 May 1859. No 801. is hardly a case for remission. No 27 March 1860.

2. With reference to these Proceedings of the Board, their attention is called to the order of Government according instructions on the mode in which subjects should be submitted for orders. In the present case ~~these~~ those instructions have been overlooked. ~~aside~~, the Collector's letter has been sent up separately with a
