*Proceedings of the Madras Government, Revenue Department,  
for the month of April 1860.*

No. 85. Read the following Proceedings of the Board of Revenue, dated 27th March 1860, No. 1,550 :—

Read letter from the Collector of Kurnool, dated 14th February 1860, No. 18.

(In Con. 20th February 1860, No. 790.)

Read also the following letter from G. THORNHILL, Esq., Acting Collector of Kurnool, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort St. George, dated Kurnool, 14th March 1860, No. 29 :—

With reference to the Proceedings of the Board of Revenue, dated 24th ultimo, No. 979, I have the honor to report that the land was sold to Lieutenant Robinson without the previous sanction of Government being obtained on the supposition that previous sanction was not necessary.

2. Another piece of ground adjoining the above was in like manner sold to Anantharām Singh, Cash-keeper, on the 10th ultimo, and specification, &c., is herewith forwarded in the prescribed form.

3. I beg, therefore, that you will have the goodness to obtain the sanction of Government to these sales. Care will be taken to obtain the previous sanction of Government for future sales.

4. The land is situated on the north bank of the Hindri river, and is quite unfit for cultivation, being rocky and destitute of soil. It is entered in the accounts as Purambók. There are no fields within many hundred yards of it; the assessment was, therefore, fixed at 4 Annas the Acre by the Tahsildár of the Taluq.

Resolved, that the above letter be submitted to Government with the Board's recommendation that the seal of Government be attached to the Title Deeds in the form A forwarded by the Acting Collector, and proposed to be granted to Lieutenant Robinson and Anantharām Singh for two building sites purchased by them at Kurnool under the new Freehold Rules.

2. The Board have pointed out to Mr. Thornhill that *Pro. 24th February 1860, No. 979.* the previous sanction of Government for the sale of these lands was necessary.

3. As regards the rate of assessment imposed, viz. 4 Annas per Acre, Mr. Thornhill explains that the land is "quite unfit for cultivation, being rocky and destitute of soil;" that "it is entered in the accounts as Purambók;" and that "there are no fields within many hundred yards," the assessment of which would form a guide for its taxation in calculating the upset price.

(Signed) J. D. SIM, *Secretary.*

No. 86. ORDER THEREON, 5th April 1860, No. 543.

The Government decline to confirm the sale till full particulars of the case shall have been supplied, as required in paragraph 5 of the Order of September 23rd 1859, No. 1,315.

2. The Acting Collector will also be required to explain why he disregarded that requirement if it was communicated to him.
