*Proceedings of the Madras Government, Revenue Department,
for the month of April 1860.*

No. 16. Read the following Proceedings of the Board of Revenue, dated 12th March 1860,
No. 1,249:—

Read letter, dated 28th January 1860, No. 29, from the Collector of Chingleput, requesting sanction for the grant of land in exchange for Ináms taken up for the road from Saint Thomas' Mount to Poonamallee, and for the payment of arrears due on account of the same.

(In Con. 31st January 1860, No. 469.)

Resolved that the letter above recorded be submitted for the orders of the Honorable the Governor in Council.

2. The total extent of Inám land taken up for the road in question is C. 8 A. 7 P. 8, bearing an assessment of Rupees 57-11-3. In exchange for this, it is proposed to assign an extent of C. 9 As. 14 P. 4, bearing an assessment of Rupees 57-5-11, nearly equal to that of the Ináms. The Board recommend the arrangement for sanction on the understanding that the title will be subject to investigation by the Inám Commission, in the same manner as if the exchange had not taken place.

Rs. 57 11 3	3.	The Board recommend also that the arrears of assessment due for the
6	six years from Fasli 1264 to Fasli 1269 both inclusive, amounting to Rupees	
346 36	346-3-6,	may be sanctioned for payment.

4. The Board request the Collector's immediate attention to any similar claims which may still be outstanding. Such inordinate delay, as in the above case, is very unsatisfactory.

No. 17. ORDER THEREON, 14th April 1860, No. 563.

The Government authorize the grant as Inám of the land specified, being Kánis 9-14-4 bearing an assessment of Rupees 57-5-11, in lieu of Ináms taken for the road from the Mount to Poonamallee, subject to the condition stated by the Board, viz. that the titles of the Inámdárs shall be subject to investigation by the Inám Commissioner in the same manner as if the exchange had not taken place.

2. The Board will be requested to explain the reason of the difference in the extent of the land taken, as stated now and in the papers submitted with their Proceedings of August 27th, 1857, No. 2,861. In those papers it was stated at Kánis 6-7-14; while it is now given at Kánis 8-7-8.

3. The Government must also remark that in every such case the description of the land, whether Nanja or Punja, ought to be specified; and they desire that this may invariably be done hereafter.

4. The Government also sanction the payment of Rupees 346-3-6 to the Inámdárs, being the amount of the Government assessment of their Inám for the six faslis 1264 to 1269, during which they have been out of possession. The Governor in Council agrees with the Board that the delay in adjusting these claims is discreditable to the District and Taluk authorities concerned.

Secretary to Government.
