for the month of April 1860.*

No. 20. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George; dated Utakamand, 10th March 1860, No. 942 :—

With reference to instructions contained in paragraph 8 of the Proceedings of Government, 20th January, No. 101, I have the honor to forward herewith for the sanction of the Government of India, a Tabular Statement in the prescribed form for the appointment of an Overseer to be in charge of the Australian plantations near Jackatalla.

2. I am in hope that the sales by auction and the seignorage on Sleepers for the Railway will fully cover the amount of the Overseer's salary.

3. In my application* for the permanent employment of the temporary Establishment in Sunda, I intimated that there was a monthly surplus

No. 21. ORDER THEREON, 11th April 1860, No. 565.

Pursuant to the Order of the 20th January 1860 No. 101, the Conservator of Forests submits, for transmission to the Government of India, an application in the prescribed form for sanction for the salary* and horse

allowance‡ of the Overseer to be appointed to the charge of the Australian plantations at Jackatalla. He brings to notice, at the same time that there is an unappropriated balance of Rupees 876 from the existing general sanction of Rupees 4,530 per month, on account of the Forest Conservancy Establishments.

2. As it thus appears that funds are immediately available for the additional monthly charge of Rupees 95 now proposed to be incurred, it is not necessary that an application should be made to the Supreme Government. The Honorable the Governor in Council sanctions the appointment in question and authorizes the Civil Auditor to pass the charge on that account,
