No. 87. ORDER THEREON, 20th April 1860, No. 599.

Paragraph 1. It appears from this Return that there were no dismissals in twelve Districts. In the remaining eight Districts there were twenty-eight; the greatest number in one District being eleven in Tinnevely.

2. From the Return from Tanjore for the quarter ending 30th September 1859, it is observed that the Collector dismissed one Dēwanāyaga Aiengār, Pēshikār of A'chāpuram in Shiyāli, solely on account of "old age, sickness, and inability to carry on public business." This man's service had extended to nearly 26 years; and the Collector will be requested to report whether he has arranged for any pensionary provision.

3. In Nellore three persons appear to have been suspended for "excessive wastages and unsatisfactory explanation of Salt of Faslis 1266-7, stored and sold by them, while two other persons charged with the same offence have been dismissed. The Collector will explain this difference in the punishments awarded for one and the same offence.

4. The large number of suspensions which the Returns from Nellore represent, in cases apparently of a character not calling for such a punishment, deserves the attention of the Board of Revenue.

5. The names of the persons who were dismissed by the Collector of North Arcot for connection with the Vellore Railway robbery case, should be made known to all Collectors in order that their re-employment by the Officers of Government may be guarded against.

6. The Government regret the delay in the submission of these Returns, and trust that those for the succeeding half year will be forwarded within the proper time.

(Signed) J. D. BOURDILLON,
Secretary to Government.

No. 4461.

PROCEEDINGS of the BOARD of REVENUE, dated 1st November 1859.

Read return from the Collector of Tanjore, dated 17th October 1859, of public servants suspended or dismissed from employment, during the quarter ending 30th September 1859.

(In Con. 22d October 1859, My. No. 4382.)

The Board request the Collector to review the sentence passed in case 7 in this return.

2. The Board and Government have frequently remarked on the inadequacy of the punishment inflicted in these cases of fraudulent misconduct, and if the offence is rightly described, the present would seem to be a case in point.

Acting Secretary.

Proceedings of the Madras Government
Under date the 20th April 1860.

Read the follow-
ing letter from the Subse-
cretary to the Board of Revenue.

Return of dismissals of
Public servants in the receipt of
monthly salaries exceeding ten
Rupees for the second half of the
year 1859. (Here enter) March 1860/1859

1. It appears from
this return that ^{there were no dis-}
missals in twelve Districts. In the remain-
ing eight Districts there were twenty-eight
dismissals in 1859 and 2 Districts each
number in one District, eleven
28, the greatest being in
Tinnevely.

2. From the Quarterly
return from Sanyam ending
30th September 1859 it is observed
that the Collector dismissed
one Dewanayaga Sanyam,
Pishcar

Dishear of Ancharooram in
Theally, solely on account of
"old age, sickness, and inability
to carry on public business."

This ^{man's} service of the individual had
extended to nearly 26 years,
and ~~as dismissed under such~~
~~circumstances would be a great~~
~~handicap to him~~, the Collector
will be requested to report
whether he has arranged
for any pensionary provi-
sion.

3 In Vellore three
persons appear to have been
suspended for "excessive wastage
and unsatisfactory explanation
of sale of Tassies 1266 by
Horeb and sold by them"
while two other ^{persons} ~~parties~~
charged with the same
offence have been dismissed.
The Collector will explain
this ~~case~~ of difference in
the punishments awarded
for

for one and the same
offence.

4. The large number
of suspensions which the
Returns from Vellore
represent, ^{in cases} apparently of
a character not calling
for ~~such a~~ ^{such a} ~~proceedure~~ of pun-
ishment, deserves the
attention of the Board
of Revenue.

5. The names of the
persons who were dismissed
by the Collector of North
Arcot for ~~their~~ connection
with the Vellore railway
robbery case, should be
made known to all
Collectors in order that
their reemployment by the
Officers of Government
may be guarded against.

6. The Government
regret the delay in the
submission of these returns
and

and trust that these for the
succeeding half year will be
forwarded within the proper
time.
