*Proceedings of the Madras Government, Revenue Department,
for the month of January 1860.*

No. 14. Read the following letter from W. HUDLESTON, Esq., Sub Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 21st December 1859, No. 5319.

In submitting for the sanction of Government, the accompanying application of the Collector of Madura, for increasing the present police establishment charges in the Sivagunga zamindári from Rupees 284 to Rupees 359 per month, I am directed by the Board of Revenue to explain, that the police of the zamindári is a charge on the State in accordance with the terms of the Sanad-i-milkiat-i-istimrar or deed of proprietorship under which the estate is enjoyed, and that Government in 1846 sanctioned a police establishment of the same strength as that now applied for.

2. On the subsequent assumption, however, of the estate by the Court of Wards in trust for the then minor Zamindár, the present proprietor, the establishment was reduced, as Government are aware, to its present strength; the eight Revenue Amins of the zamindári being invested with the police powers exercised by the two Darogahs under the original arrangement, and a saving thus effected to the State of Rupees 75 per month.

3. The minor attained his majority on the 12th October 1859, but the estate was still retained under the management of the Collector, in obedience to an injunction from the Sadr Adalat, which is now reported to be removed; and as the expediency of administering the police through the Revenue Amins in the absence of the Collector's management, was considered and found inexpedient when the establishment in 1846 was sanctioned, Mr. Clarke requests permission to revert to the old arrangement pending the introduction of the new police force into the district.
