for the month of April 1860.*

No. 1. Read the following Proceedings of the Board of Revenue, dated 29th March 1860, No. 1,591 :—

Read letter from the Collector of Trichinopoly, dated 2nd March 1860, No. 29, forwarding Statements of Contingent expenditure incurred in his District in Faslies 1267 and 1268.

Resolved, that the above recorded letter and its enclosures be submitted for the Orders of Government with the recommendation of the Board of Revenue that sanction be accorded to the Extra Contingent expenditure, amounting to Rs. 1,646-6-5,* incurred in the District of Trichinopoly in Faslies 1267 and 1268, above the amount of the standard Estimate sanctioned in Extract Minutes Consultation, No. 682, Revenue Department, dated 9th July 1851.†

2. The difference of Rupees 520-12-11, (vide margin‡) between the amounts by which the standard Estimate was exceeded in the two Faslies, respectively, was owing to the partial introduction of the new forms of Village Accounts in the former year, while in the latter they were fully adopted. The excess, however, in both years was only nominal, as taking into calculation the amount of Rupees 1,085 incurred annually for Jamabandi expenses, there was a net saving of Rupees 522-3-3 in Fasli 1267 and of Rupees 1-6-4 in Fasli 1268.§

3. The sanction of Government to the excess shown in paragraph 1, however, appears to be necessary to enable the Civil Auditor to pass the charge.

4. The Collector is informed that his comparative Statements now submitted do not yet fully meet the Board's instructions in the communications noted in the margin. The amounts allowed in the standard Estimate for each item should be shown separately in column 5 and the difference between them and the actual expenditure in column 6, the totals of both columns being entered at the bottom. It is requested that these instructions may be observed on future similar occasions.

2. The exact sum for which the sanction of Government is required is Rupees 1,646-6-5, being the aggregate for Rupees 562-12-9 for Fusly 1267, and Rupees 1,083-9-8 for Fusly 1268.
