*Proceedings of the Madras Government, Revenue Department,
for the month of April 1860.*

No. 82. Read the following Proceedings of the Board of Revenue, dated 30th March 1860, No. 1,630:—

Read letter from the Collector of South Arcot, dated 29th February 1860, No. 35, submitting a Statement of Receipts and Disbursements incurred in 1859, connected with the furnished Bungalows of the District.

(In Con. 5th March 1860, No. 1,040.)

Submitted for the information of Government.

2. The Board are glad to learn that the system of Bungalow management, recently introduced into this Presidency, has been successful in South Arcot as well as Chingle. *E. M. C., dated 15th March 1859, R. D., No. 326, in Con. 17th March 1859, No. 1,102.* put during the past year, the total balance in hand after meeting all disbursements being Rupees 508-5-8.

3. The Board think that the balance to the credit of the Bungalows at the end of each year should be brought forward in the accounts of the following year. From the non-observance of this rule, the two accounts submitted by the Collector do not agree, the balance shown by the one being Rupees 318-15-6, viz., the difference between the receipts and disbursements of the year 1859, while the balance shown by the other is Rupees 508-5-8, which is the result of the transactions of 1857-58 and 1859, and is, therefore, the correct amount to the credit of the Bungalows on 31st December 1859.
